\*Use actual age as of 1/1/08. Ages/Cost are adjusted 1/1 of each year.

The indicates the minimum amounts to elect to become vested in the plan for future increases without having to answer medical questions.

**Locate your monthly salary under "Max Monthly Salary". The column to the left of that number is your "Max Monthly Benefit". You have the option of electing the Max Monthly Benefit or a lesser Monthly Benefit to reduce your monthly cost. Follow across to your age band and this would be your cost per month for the benefit you elect. This allows you to buy what you can afford.**

- Benefits payable to Age 65 or Social Security Retirement Age
- Coverage is Portable
